How to Choose Your Primary Care Provider (PCP)

A primary care provider is the main doctor, nurse, or clinic that gives you most of your health care. Sendero works with many PCPs in your neighborhood. Look at the PCP listing that begins on page 2 of this Directory. You must choose a PCP for each member of your family. If the listing for a PCP says "OPEN", then you may choose that PCP. If the listing for a PCP says "EO" ("Existing Only"), then you can only choose them if you are already a patient of that PCP. If the listing for a PCP says "CLOSED", that PCP is not accepting any new patients. The PCPs are listed by city and then by type of doctor. You can choose from these types of PCPs:

- ★ Pediatricians (*these PCPs see children only*)
- ★ General or Family Practice / Medicina Familiar (*these PCPs can see all members of your family*)
- ★ Internal Medicine / Medicina Interna (*these PCPs see members who are 18 years old and above*)
- ★ Obstetricians/Gynecologists (OB/ GYNs) (*these PCPs see females only*)
- ★ Clinics (*these places usually have many doctors who can see all members of your family, so you may not always see the same doctor or doctor assistant*)

Call us toll-free at 1-844-872-0537 if you have any questions choosing a PCP.

How to Get OB/GYN Services

You can choose an OB/GYN from the Directory to get female health care services. You do not have to ask your PCP to see these doctors. Call us toll-free at 1-844-872-0537 if you have any questions about choosing an OB/GYN.

Cómo elegir su principal proveedor de atención médica (PCP, por sus siglas en inglés)

El principal proveedor de atención médica es aquel doctor, enfermera o clínica que le brinda la mayor parte de su atención médica. Sendero trabaja con muchos PCP ubicados en su zona. Consulte el listado de PCP que comienza en la página 2 de este Directorio. Usted debe elegir un PCP para cada miembro de su familia. Si un PCP aparece en el listado como “ABIERTO”, entonces solo podrá elegir dicho PCP. Si un PCP aparece en el listado como “SE” (“Sólo existentes”), entonces sólo podrá elegirlo si usted ya es paciente de ese PCP. Si un PCP aparece en el listado como “CERRADO”, es porque no está aceptando pacientes nuevos. Los PCP se encuentran listados por ciudad y por tipo de médico. Puede elegir entre estos tipos de PCP:

- ★ Pediatras (*estos PCP atienden únicamente a niños*)
- ★ Medicina familiar o general (*estos PCP pueden atender a todos los miembros de su familia*)
- ★ Medicina Interna (*estos PCP atienden a los miembros de la familia mayores de 18 años*)
- ★ Obstetras/ginecólogos (*estos PCP atienden únicamente a mujeres*)
- ★ Clínicas (*estos lugares suelen tener muchos médicos que pueden atender a todos los miembros de su familia, por lo cual no siempre verá al mismo doctor o asistente médico*)

Si tiene alguna pregunta en cuanto a la elección de un PCP, llámenos sin cargo al 1-844-872-0537.

Cómo obtener servicios de gineco-obstetricia
