

**Sendero Health Plans
STAR/CHIP Provider Portal Registration Form**

The following information applies to Sendero's STAR/CHIP Provider Portal effective for dates of service 9/1/2017 and after. Access is granted to in-network providers only.

User registration for the Provider Portal is completed by your organization's Super User. If your organization does not have a Super User for the Provider Portal, please complete the below form. Please designate Super User access for no more than 5 individuals within your organization.

Super User accounts are generated based on Provider Tax ID and Group NPI. If your organization bills with multiple Group NPIs, please list all Group NPIs associated with your organization's Tax ID below.

Once registered, if you have issues resetting your password please contact Customer Service at 1-844-872-0537 or SenderoPortalSupport@mediview.net
